Guidelines on certification process for getting incentives for coal gasification / liquefaction by the successful bidder.

1. Incentive for coal gasification -

As per T&C, incentive is available subject to following condition:

"At least 10% of scheduled coal production as per approved mining plan for that year shall be "consumed or sold or both" for gasification or liquefaction". The successful bidder will be eligible to get incentives only when they consume / sell coal at least 10% of scheduled production as per Mining Plan for that year for gasification / liquefaction.

- 2. Each allottee who intends to consume coal for gasification or liquefaction or intends to sell coal for gasification or liquefaction, shall inform CCO, Kolkata with a copy to CCO Regional office about their intension for using / selling coal for gasification / liquefaction purpose at least one month in advance so that CCO can inspect gasification / liquefaction plant.
- 3. The allottee shall furnish all the details of the plant like name, address of the plant, annual capacity in terms of coal requirement and the related production of liquid fuel / gas produced.
- 4. CCO will inspect the site and ensure the plant being used for gasification or liquefaction by the allottee or the consumers as the case may be.
- 5. The allottee shall maintain the record of coal fed / sold to the plant on monthly basis in a bound paged book specially kept for the purpose. Annual return in the prescribed format shall be submitted to CCO.
