

| Details of Bridge Linkage Quantification done by CCO in FY 2024-25 | | | | | |
|--|-----------------|---|---|-------------------------|--|
| S No. | Name of Company | Name of Power Plant | Name of Alloted Coal Block for which Bridge Linkage | Date of issue of Letter | Particular |
| 1 | CIL | NTPC Tanda TPS Stage-II | Kerandari | 22.04.2024 | Extension of Bridge Linkage for 1 Year. |
| 2 | | Patra Vidyut Utpadan Nigam ltd | Banhardih | | Quantification of Bridge Linkage. |
| 3 | | Koradih TPP, MAHAGENCO | Gare Palma Sector II | | 80% of coal requirement to be supplied by CIL as no production from Coal Block. |
| 4 | | Chandrapur TPP, MAHAGENCO | Gare Palma Sector II | | 100% of coal requirement to be supplied by CIL as no production from Coal Block. |
| 5 | | Chharbra TPP, RRVUNL | Parsa & Kente | | Eetended Bridge Linkage Capacity to be considered as 222. |
| 6 | | Suatgarh TPP, RRVUNL | Parsa & Kente | | Eetended Bridge Linkage Capacity to be considered as 586. |
| 7 | | Kalisindh TPP, RRVNUL | Parsa & Kente | | Eetended Bridge Linkage Capacity to be considered as 532. |
| 8 | | Ghatampur TPP | Pachhwara South | | Production schedule as per mine plan. |
| 9 | SCCL | Koradih TPP, MAHAGENCO | Gare Palma Sector II | 06.05.2024 | Coal Quantification of Bridge Linkage. |
| 10 | | Parli TPP, MAHAGENCO | Gare Palma Sector II | | |
| 11 | | SCCL TPP, Pegadapalli | Naini | | |
| 12 | CIL | Odisha Power Generation Corporation Ltd., IB Thermal Power Station Banharpalli, Jharsuguda, | Manoharpur & Dipside Manoharpur | 21.05.2024 | Reduction of Linkage to coal block allocattee. |
| 13 | CIL | Odisha Power Generation Corporation Ltd., IB Thermal Power Station Banharpalli, Jharsuguda, | Manoharpur & Dipside Manoharpur | 31.07.2024 | Proportionate reduction of linkage to the coal block allocattee on basis of requirement of coal. |
| 14 | CIL | Harduaganj TPP Extn, UPRVUNL | Saharpur Jamarpani | 06.08.2024 | Quantification of entitled quantity during extended bridge linkage |
| 15 | | Jawaharpur TPP, UPRVUNL | Saharpur Jamarpani | | |
| 16 | | Obra C TPP, UPRVUNL | Saharpur Jamarpani | | |
| 17 | | Panki TPP, UPRVUNL | Saharpur Jamarpani | | |

| Details of Bridge Linkage Quantification done by CCO in FY 2024-25 | | | | | |
|--|-----------------|---|---|-------------------------|--|
| S No. | Name of Company | Name of Power Plant | Name of Alloted Coal Block for which Bridge Linkage | Date of issue of Letter | Particular |
| 18 | CIL | Mejia TPS Unit-7&8, DVC | Tubed | 03.10.2024 | Quantification of entitled quantity during extended bridge linkage |
| 19 | | Chandrapura Unit-8, DVC | Tubed | | |
| 20 | | NTPC Barauni Extn Unit-1&2 TPS | Badam | | |
| 21 | CIL | North Karanpura Super Thermal Power Project | Chatti Bariatu & Kerandari | 26.12.2024 | Proportionate reduction of linkage to the coal block allocattee on basis of requirement of coal. |
| 22 | | Gadarwara STPS | Talaipalli & Amelia | | |
| 23 | | Mouda STPS | Talaipalli | | |
| 24 | | Farakka STPP | Talaipalli | | |
| 25 | | Solapur STPP | Talaipalli | | |
| 26 | CIL | North Karanpura Super Thermal Power Project | Chatti Bariatu & Kerandari | 06.03.2025 | Proportionate reduction of linkage to the coal block allocattee on basis of requirement of coal. |
